

# ELUXEO™ Lite

## **DURABILITY WARRANTY POLICY LED LIGHT SOURCE UNIT**

### **Congratulations on your purchase of an ELUXEO™ Lite system!**

Your ELUXEO™ Lite system EP-6000 is equipped with a built-in LED light source unit (the “Product”).

FUJIFILM Europe GmbH (“FUJIFILM”) grants a durability warranty which covers any defect of the Product that is attributable to a manufacturing or assembly fault under normal use for a period of five years or 10.000 operating hours, whichever comes first (“Warranty”).

The Warranty period begins with the date of the purchase of your ELUXEO™ Lite system EP-6000. The Warranty applies only to Products that have been directly sold by a FUJIFILM branch, an authorized FUJIFILM distributor or an authorized FUJIFILM reseller to an end-customer (“Customer”).

An important prerequisite for the validity of the Warranty is that the use, handling, storage, maintenance and care of the ELUXEO™ Lite system EP-6000 are carried out in accordance with the FUJIFILM Light Source OPERATION MANUAL. In addition, service of the ELUXEO™ Lite system EP-6000 may only be performed by FUJIFILM or an authorized service partner.

The Warranty entitles the Customer to the free replacement of the Product in the ELUXEO™ Lite system EP-6000. Only the shipping costs from the Customer to FUJIFILM are to be borne by the Customer.

The Warranty does not entitle the Customer to any other rights or remedies. A loan ELUXEO™ Lite system EP-6000 is not included under this Warranty. Such device will be provided to the Customer at Customer’s request and expense, subject to availability.

This Warranty is valid in the European Economic Area, Switzerland, Canada and South Africa only and it is not transferable. Warranty claims are excluded if the Customer dismantles the ELUXEO™ system BL-7000 to remove the Product or otherwise modifies the ELUXEO™ system BL-7000 or the Product.

In the event of a Product defect covered by the Warranty, the Customer is required to contact FUJIFILM Customer Service to obtain a “Return Merchandise Authorization Number” (RMA#). The Customer shall use the original FUJIFILM shipping packaging or another equivalent to ensure proper and safe shipping of the ELUXEO™ Lite system EP-6000 containing the defective Product to FUJIFILM.

This warranty shall be exclusively governed by German law excluding its conflict of law principles.
